Professional Summary

Customer Support Virtual Assistant with 4+ years of experience specializing in email and chat support, customer service, and e-commerce support for international clients. Skilled in handling customer inquiries, managing support tickets, resolving issues, and delivering positive customer experiences using Zendesk, Google Workspace, and Microsoft Office. Experienced in customer service, travel coordination, telecommunications, and e-commerce support, with strong communication, problem-solving, and multitasking skills. Reliable, detail-oriented, and able to work efficiently in fast-paced environments while maintaining high customer satisfaction.

Work Experience

Client Support Specialist

LTVplus LLC

May 2024 to Present

As a Client Support Specialist at LTVplus, I work with a variety of global clients to support their business operations and enhance customer satisfaction. My primary focus is providing high-quality email and chat support, tailored to each client's unique needs and brand voice.

I specialize in using Zendesk to manage customer communications efficiently, ensuring timely responses and resolutions. I also utilize tools such as Google Workspace (Docs, Sheets, Gmail) and Microsoft Office Suite to organize data, draft reports, and coordinate internal tasks.

My role involves:

- Assisting clients' customers through real-time chat and email support
- Troubleshooting product or service issues and escalating when necessary
- Maintaining service-level agreements (SLAs) and performance targets
- Collaborating with internal teams to ensure accurate and consistent support
- Creating or updating knowledge base content as needed

Through clear communication, attention to detail, and a client-focused approach, I help businesses build stronger relationships with their customers.
